

canstruction® ORANGE COUNTY

3rd Annual Design/Build Competition

GET INVOLVED!

**It all starts with one can. To feed the hungry.
To lift the spirit. To change the world.**

Canstruction®, a unique charity/fundraiser committed to ending hunger, is using 'one can' as a catalyst for change. Over 500,000 Orange County residents are food insecure. Join us and support the 3rd Annual Orange County Canstruction® event and help put an end to hunger, one can at a time.

Canstruction®, a design/build competition held in cities throughout the world, consists of teams of architects and engineers competing to build unique sculptures made entirely out of canned foods. The results of the competition will become an exhibition on display during the month of September at South Coast Plaza in Costa Mesa. At the completion of the exhibition all of the cans of food used to create the sculptures will be donated to the Orange County Food Bank. Each structure will be judged and awards will be given at a fundraising awards gala in September.

Since its inception, Canstruction® events have resulted in over 10 million pounds of food being donated to food banks to aid in the fight against world hunger.

As a sponsor for this event, you will receive a variety of benefits according to the sponsorship level you choose. Please see enclosed sponsorship opportunity matrix for detailed sponsorship levels.

Benefits may include:

- Media coverage
- Complete underwriter privileges on all print material
- Team entry fees paid
- Name recognition in publicity materials prior to event
- Participation as a presenter during the awards ceremony
- Prominent placement of company name in event and fundraising awards gala signage
- Tickets to fundraising awards gala
- Announcement acknowledging your contribution during fundraising awards gala
- Advertisement of your company logo on the Orange County Canstruction® website
